nicoleoverman.me

My passion is designing and illustrating new experiences around website design. Design's aspect is significant to me but I also enjoy collaborating and working with developers to make a project exceed.

Work Experience

January 2014 - Present

Cherry Pop Designs
Co-Owner, Web Designer

I complete the development of projects from the planning stage to the design stage. I create sketches, mockups, and illustrations that the client may want. I gain experience with customer service from working closely with clients.

July 2014 - Present

T.J. Maxx
Merchandise Associate, Cashier

As a Merchandise Associate, I aid customers for a particular product or location of merchandise in the store, as well as making sure the customer feels comfortable while shopping. As a cashier, I accurately process customer payment transactions, dealing with money and electronic payments.
